VOLUME XXV

WINTER 2010

VOLUME I

## From the President -

*Rich Paris, Marion County Conservation*

Recently got some face-to-face time with a few of you at **Winterfest XXXVIII**. Believe the consensus is, that the county conservation system is still evolving and adapting to the publics needs; more efficiently, more diversely and normally at a quicker pace than our peers in the recreation business. The chance to network and exchange information could be an integral part of that ability to stay one step ahead of the curve. Lot easier to modify the wheel then re-invent one. Winterfest, workshops and conferences are an opportunity to meet, greet and even learn from each others experiences. Good way to segue into a reminder for the fall workshop. The Executive Committee is sorting through the process of gathering presenters and a program for the banquet. *Don't miss this one!*

### 25<sup>th</sup> Annual CCPOA FALL WORKSHOP

**October 2 – October 4, 2010**

### WINTERFEST XXXIX – 2011

**January 24 - 26, 2011**

Spring workshops are just around the corner. Thanks to **Clay County** – Dan Heissel, **Webster County** – Pat Shehan, and **Des Moines County** – Pat Rogge for assuming the responsibility of providing facilities and presenters. Take note of the agenda, location and RSVP deadlines. All three have included emergency response sessions to fill in the gap from last fall. Be sure to support their efforts by attending one or more of these training opportunities. Once again, these workshops are assembled specifically with the needs of CCB officers at the fore front.

Hope the winter that keeps on giving has not beaten down your psyche! Look forward to conversing at a regional spring workshop soon! More later....

*Richard Paris* **Rich**

**County Conservation Long-Range Planning in Progress !!**

There's just a bunch of work going on behind the scenes as Iowa's county conservation system prepares to enter a "post-Brazelton" era within the next two years. The committee was established last summer and has had two very productive meetings since last October. CCPOA members on the committee include Rich Paris (Marion), Roger Kean (Scott), Dan Heissel (Clay), Dean Mueller (Worth), Tim Sproul (Harrison) and Tom Hazelton (Linn). "Everything is on the table" as this committee prepares concepts and recommendations for the IACCB Board of Directors for their consideration at upcoming board meetings. The work has primarily focused on a future financial structure, a "new look" for the Exec. Secretary's position description, and establishment of a transition plan to move forward with as early as FY-2011. Stay tuned - there are exciting times ahead!
